Terms:

All rentals require the full price of the unit remitted to the seller before shipping. Shipping, special handling, customs, and insurance costs "to" the purchaser and "back" to the seller are the responsibility of the purchaser.

Funds are to be transferred to our bank:

Ocean National Bank Amherst, New Hampshire USA 03031
Telephone# 1 603 673 4700
Account Name: INFORMATION UNLIMITED, INC
Account# 2700001648
ABA# 011201432

An *option* "to purchase" may be exercised where 50% of all accrued rental fees may be applied to the initial purchase price.

The *rental period* starts when the purchaser receives the device and ends when the seller receives a tracking number indicating the device is being returned.

Damage to the unit both electrical and mechanical are the responsibility of the purchaser. It suggested that the purchaser thoroughly check the contents for any damage and notify the carrier if any is found.

Setup of the unit is shown in the enclosed instructions. All cables are identified to where connected. If you have any questions you may contact Bob Iannini.

Example: Our model IU1080 Marx generator weighs a total of 450 kilograms and is shipped in four wooden crates. The current purchase price is \$XXXXX.XX USD. The rental fee is \$XXXX/60 day intervals.
